

James VI and the Union of the Crowns

Source 3b - Map of Peebles-shire, 1654

Scan the map and find the following features:

- ❖ the use of 3D images for mountains/upland
- ❖ the use of red for settlement – Peebles
- ❖ the use of green shading for wooded areas
- ❖ shading to mark county boundaries
- ❖ numerous tributaries shown in detail
- ❖ the symbol that represents mills

Scan the decorative title of the map and find the following features:

- ❖ the use of Latin in the emblem and the scale
- ❖ images of the countryside

- Who do you think the two figures represent?
- Think about how these features are represented on present day O.S. maps.
