

James VI and the Union of the Crowns

Source 4b – Design a Proclamation, 1603

Design a proclamation by the Queen announcing a visit to Scotland to celebrate the 400th anniversary of the Union of the Crowns.

Consider the following:

What sort of arrangements would have to be made nowadays?

How would the Queen travel?

What aspects of safety would have to be considered?

Use illuminated lettering for the first word of your proclamation and at the beginning of each new paragraph.
